

## **Cordless Air Compressor**

(Portable/Rechargeable/Auto Car Tire Inflator)  
TAP-03A/TAP-03B

**TAP-03 is powerful and convenient portable cordless air compressor, perfect for passenger vehicles, cars, trucks, SUV, RV, ATV, trailers, lawn mowers, bikes, motorcycles and inflatables, ranging from 0-100 PSI, with big accurate digital LCD gauge.**

**As a multifunctional tire inflator, it is well equipped with TPMS, high LED lamp light, Jump Starter functions, and USB socket as power bank.**

### **Features:**

- 1, Auto inflation to precise pre-set pressure with auto shut-off.
- 2, Illuminated legible LCD gauge, with bar to show inflating progress and battery remains.
- 3, Fast inflation with large diameter piston.
- 4, Rechargeable cordless handheld convenient design, with pistol grip handle.
- 5, Powerful LiPo battery, built in USB socket for phone charge, packed in ABS tool case.
- 6, High light LED lamp.
- 7, Jump starter function with smart cables for short-circuit protect, and warn of reverse polarity and low voltage.
- 8, Convenient accessory compartment for needle adapters.

### **Specifications:**

Inflation: 100PSI/7BAR/7KG/700kpa work pressure (max 150PSI), 45-55LPM(1.6-1.9CFM)

Fill Rate: 4 min @ 0 to 30 PSI / 195/70R14

Duty Cycle: 15 min. @ 30 PSI

Power Supply: Li-Po battery 12V/10A/100W (max) 5C 2000mAh (TAP-03B 40C 2500mAh)

Charging Time: 2-3 hours (4 hours for TAP-03B 2500mAh)

Charger: 100-240V input, 12.6v/1A(max)output

Piston: 25mm(0.98in) diameter

Gauge: 0.5PSI increments,  $\pm 0.5$ PSI accuracy, illuminated HD LCD 40\*50mm displayer

LED Lamp: 0.5W\*6, 260LM

USB Output: 5V/1A (max)

Jump Starter Function Output: max300A (TAP-03B only)

Inflator Material: Zinc alloy + ABS (B class fireproof)

Inflator Size: 18x8.5x28cm (7.0x3.3x11.0in)

Package: net 1.10kgs(2.4lb) (TAP-03B 1.25kgs/2.8lb)

Working Temperature:  $-20 \sim +60^{\circ}\text{C}$

### Package Contents:

- 1xTAP-03A (or TAP-03B) Air Compressor Pump
- 1xBattery Pack
- 1xHose (12cm/4.7in)
- 1xTool Case
- 1xCharger
- 1xManual
- 2xNeedle Adaptor
- 1xCar Power Outlet (Optional, for inflator charge only)
- 1xSmart Jumper Cables (max230A TAP-03B only)
